

DERMACEUTIC

LABORATOIRE

THE EXPERT
IN AESTHETIC
DERMATOLOGY

COSMECEUTICAL CARE

Dermaceutic Laboratoire is the partner of choice for over 30,000 aesthetic dermatology specialists throughout the world.

One of the first laboratories to develop products using ingredients such as hyaluronic acid, vitamin c complex, retinol and glycolic acid (now standard ingredients in skincare), Dermaceutic has led the cosmeceutical industry in the discovery of effective combinations of ingredients for use in aesthetic dermatology.

The efficacy of Dermaceutic's cosmeceutical and peel treatment protocols is supported by extensive clinical trials, and the company's collaboration with industry-leading practitioners from around the globe.

CLEANSE

Advanced Cleanser

EXPERT
CLEANSING FOAM

Expert Cleansing Foam

Daily cleanser. Effectively removes make-up and excess sebum to give skin a clean, fresh and hydrated feel. Advanced Cleanser is recommended for all skin types, including sensitive and dehydrated skin.

RESULT

**Superior cleansing and effective make-up removal.
The skin is clean and hydrated; skin balance is restored.**

ACTIVE INGREDIENTS

An exclusive combination of high performance cleansing agents, selected for their optimal skin tolerance properties, and fused with a powerful purifying active removes excess sebum and skin impurities. A unique hydrating complex helps keep skin soft and supple, for superior comfort.

Xylitol

Anti-dehydration agent which promotes and controls water flow, and improves the appearance of skin micro relief for perfectly hydrated and smoothed skin.

Zinc

This anti-seborrheic active (associated with the penetration vector L-PCA) improves the appearance of oily skin and has an anti-microbial action, helping skin to regain clarity.

Urea

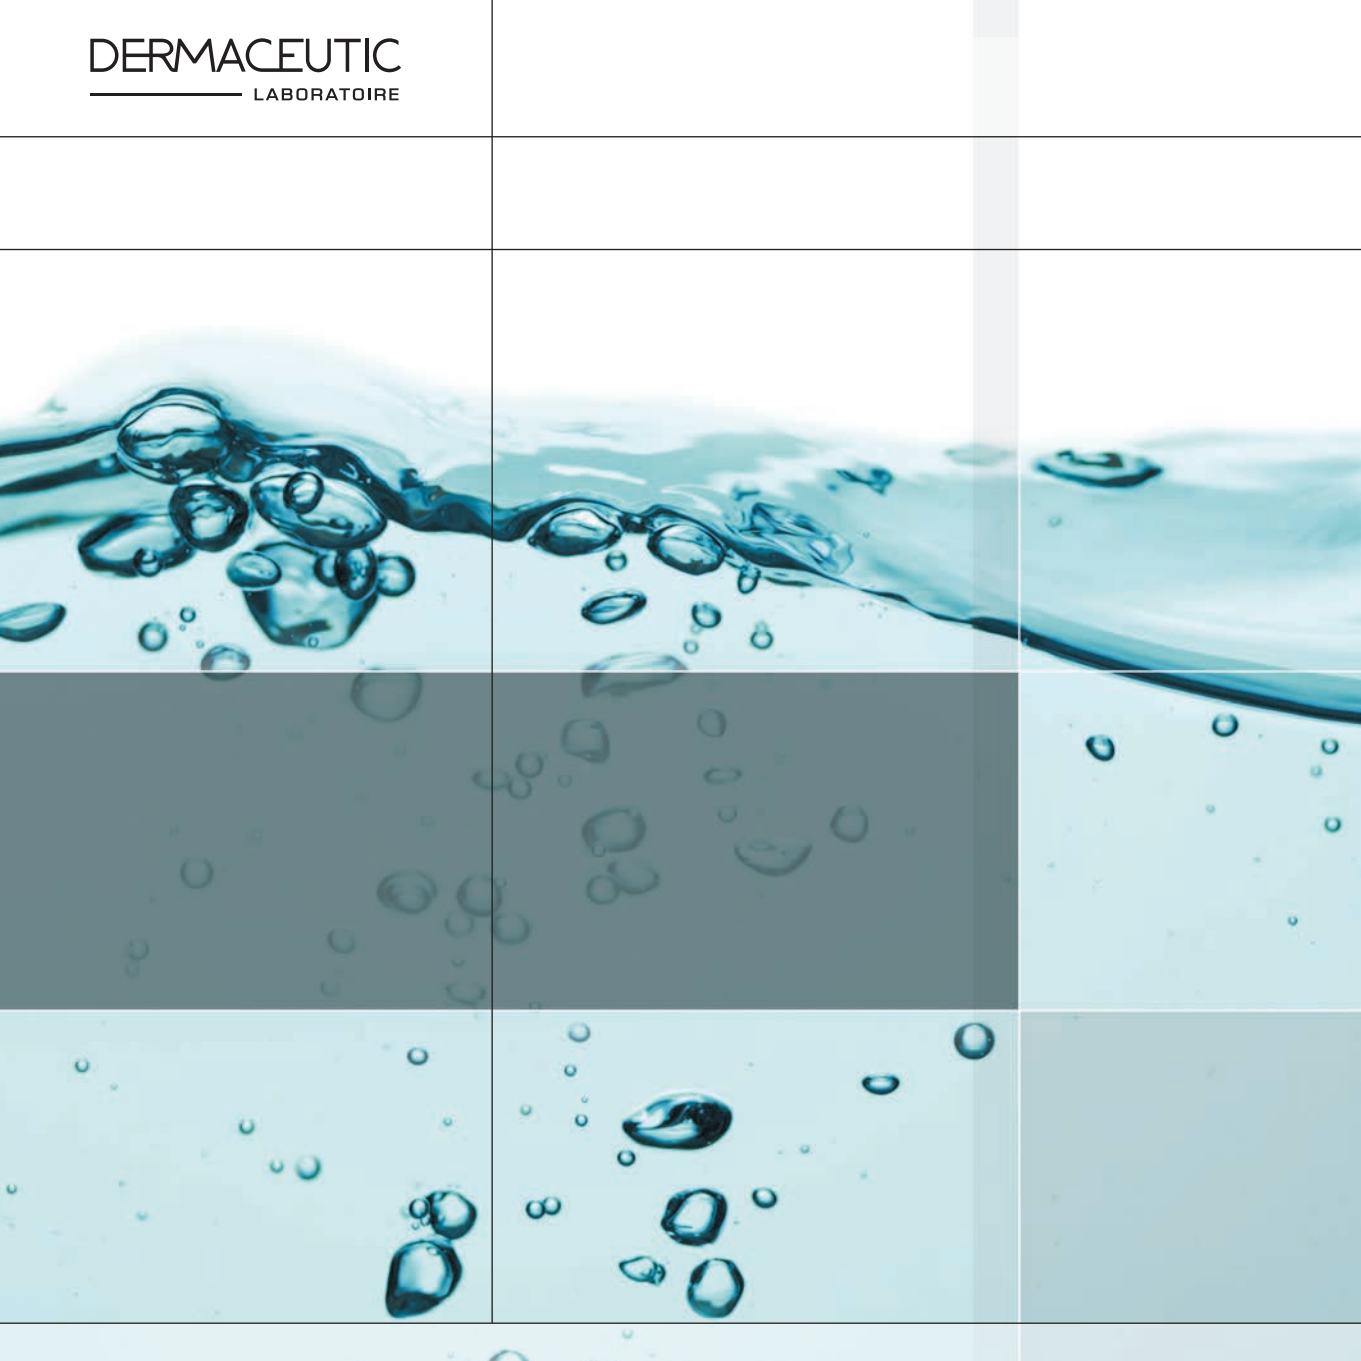

Optimal moisturizing agent for the epidermis which removes scales from the skin's surface and restores suppleness.

Glycerin

Hygroscopic substance of vegetable origin which provides a hydrating and protective film and removes scales from the skin's surface.

150ml
Paraben free

PURIFY

Foamer 5 GENTLE EXFOLIATING CLEANSING FOAM

Gentle Expert Cleanser

Gently removes impurities and dead cells and purifies the skin.

Foamer 5 is recommended for darker or more sensitive skin with dull complexion, irregular texture and skin imperfections. Can be used as a daily cleanser.

RESULT

**Gently prepares skin for cosmetic treatments.
Restores radiance and tightens pores by
smoothing and exfoliating skin.**

ACTIVE INGREDIENTS

Expert, gentle double-action formula. Glycolic acid removes impurities, and permeates the hydrolipidic film, while enoxolone soothes the skin.

5% Glycolic Acid

One of the alpha hydroxy acids (often called "fruit acids"), this very small molecule easily penetrates the skin and its acidic pH accelerates exfoliation by destroying the links that bind dead cells together.

Enoxolone

Renowned for its soothing and calming properties, enoxolone is an anti-inflammatory agent extracted from licorice root.

100ml
Paraben and fragrance free

PURIFY

Foamer 15

EXFOLIATING
CLEANSING FOAM

Expert Cleanser

Removes impurities and dead cells, and purifies the skin. Foamer 15 is recommended for dull complexion, irregular texture and skin imperfections.

RESULT

Prepares skin for cosmetic treatments, and makes the skin smooth and silky.
Restores radiance and tightens pores.

ACTIVE INGREDIENTS

Expert, double-action formula. Glycolic acid removes impurities, and permeates the hydrolipidic film, while the enoxolone complex soothes the skin.

15% Glycolic Acid

One of the alpha hydroxy acids (often called "fruit acids"), this very small molecule easily penetrates the skin and its acidic pH accelerates exfoliation by destroying the links that bind dead cells together.

Enoxolone

Renowned for its soothing and calming properties, enoxolone is an anti-inflammatory agent extracted from licorice root.

100ml
Paraben and fragrance free

Mask 15 OIL REDUCING MASK

Astringent Clay Mask

Removes dead cells and excess sebum, and purifies combination and oily skin.

Mask 15 is recommended for oily skin, and skin that is prone to acne.

RESULT

The skin is purified, a matte appearance is restored, and pores are tightened.

ACTIVE INGREDIENTS

The unique combination of smectic clay and glycolic acid purifies and removes imperfections from the skin, tightens pores and reduces excess sebum.

15% Glycolic Acid

One of the alpha hydroxy acids (often called "fruit acids"), this very small molecule easily penetrates the skin and its acidic pH accelerates exfoliation by destroying the links that bind dead cells together.

Bentonite

Highly absorbent clay that is saturated in fat, which enables it to remove toxins and impurities from tissue.

2% Salicylic Acid

Causes a keratolytic action that reduces intercorneocyte cohesion, and destroys lipids that bind the outer cells of the epidermis.

50ml
Paraben, preservative
and fragrance free

STIMULATE

Light Ceutic

SKIN TONING
NIGHT CREAM

Skin Toning Night Cream

Contributes to skin radiance and evens out the complexion.

Light Ceutic is recommended for dull skin and irregular complexion.

RESULT

The complexion is harmonized and the skin's radiance is restored.

ACTIVE INGREDIENTS

The combination of glycolic acid, phytic acid and vitamin C gently exfoliates the skin and regulates the production of melanin, which causes pigment spots.

8% Glycolic Acid Solution

Reduces corneocyte cohesion of the keratin layer of the skin, which enables homogeneous exfoliation.

4% Phytic Acid Solution

Lightening and antioxidant agent. When associated with glycolic acid, phytic acid helps reduce the epidermal pigmentation process by blocking iron and copper ions involved in the formation of melanin.

Vitamin C Complex

Considerably improves the skin's resistance to attacks from free radicals. The vitamin C used in this formulation is stable, and will not oxidize.

40ml
Paraben and fragrance free

STIMULATE

Turn Over

STIMULATING
NIGHT CREAM

Rejuvenating Cream

Contributes to skin turnover and reduces the appearance of signs of aging.
Turn Over is recommended to treat loss of skin tone, wrinkles and fine lines.

RESULT

The skin is smoother and appears rejuvenated.

ACTIVE INGREDIENTS

The formula of concentrated glycolic acid removes dead cells that build up on the skin's surface and stimulates cellular renewal.

15% Glycolic Acid Solution

Reduces corneocyte cohesion of the keratin layer of the skin, enabling homogeneous exfoliation of upper layers. By removing dead cells from the skin's surface, the signs of aging are less visible, the skin appears smoother, and complexion is more homogeneous.

40ml
Paraben and fragrance free

RESTORE

Hyal Ceutic

INTENSE
MOISTURIZER

- Long lasting hydration
- Hypoallergenic - suited for sensitive skin

Intense 24hr Moisturizing Cream

Helps moisturize the skin after aesthetic procedures. Hyal Ceutic provides essential nutrients to keep the skin hydrated all day.

RESULT

This formula is intensely moisturizing, and helps prevent the signs of premature aging of the skin.

ACTIVE INGREDIENTS

This exclusive formula has a smoothing and repairing action while combating changes in the skin, thanks to a highly concentrated combination of low and high moleculars.

5.5% Hyaluronic Acid Solution

This formulation combines hyaluronic acid of low and high molecular weight. The low molecular weight penetrates skin deeply to ensure suppleness and firmness, and moisturizes the skin. The high molecular weight has a protective and hygroscopic role on the skin's surface.

10% Aloe Vera Extract

Re-moisturizes and regenerates cells. Aloe vera soothes the skin, reduces inflammation, and stimulates production of collagen to combat skin aging.

Jojoba Oil

Creates a non-oily moisturizing layer on the skin's surface, relieves sensitive epidermises, and protects the skin from UV rays.

Vitamin E

Renowned for its antioxidant properties, vitamin E also combats the signs of photoaging.

40ml
Paraben and fragrance free
Also available in 150ml format

RESTORE

Regen Ceutic SKIN RECOVERY CREAM

- Long lasting hydration
- Suited for sensitive skin

Repairing Cream

Accelerates epidermal restoration post aesthetic treatments: nourishes and firms the skin.

Regen Ceutic is recommended for sensitive, dehydrated and aging skin.

RESULT

The highly active formula boosts the skin's recovery and provides optimal moisturizing, soothing, firming and superior skin comfort.

ACTIVE INGREDIENTS

The synergy of 2 high-performance repairing peptides stimulates epidermal synthesis; hyaluronic acid and powerful antioxidants hydrate and help the skin to protect and restore itself.

3% Peptides Complex

A synergy of 2 of the most efficient peptides, which stimulates collagen, hyaluronic acid and elastin production to induce an anti-wrinkle effect from within.

3% Hyaluronic Acid Gel

Moisturizes skin and improves firmness.

Vitamin C Complex and Vitamin E

Combination of vitamins which combats and limits the signs of photoaging and has an anti-inflammatory action.

Shea Butter

Hydrates and nourishes the skin.

40ml
Paraben and fragrance free
Also available in 150ml format.

RESTORE

K Ceutic POST-TREATMENT CREAM

Recovery Cream

Helps nourish the skin following aesthetic treatments, by soothing the skin and delivering essential nutrients. K Ceutic helps reduce skin redness, post-aesthetic treatment.

RESULT

This advanced formula helps skin maintain optimal moisture, which optimizes the recovery time.

ACTIVE INGREDIENTS

This cream contains a combination of ingredients designed to repair, moisturize, protect, and soothe the skin. It also provides complete sun protection (SPF 50 - UVA/UVB barriers).

K Complex

Features soothing agents essential to combat inflammation.

Glycoprotein

Favours the development of keratinocytes and the cohesion of fibroblasts while regenerating the skin.

Vitamins C and E

With renowned antioxidant properties, this combination of vitamins combats the signs of photoaging and limits their appearance.

30ml
Oxybenzone and Octocrylene free
Paraben and fragrance free
Also available in 150ml format

RESTORE

Panthenol Ceutic

NOURISHING
RESTORING OINTMENT

■ Hypoallergenic - suited for sensitive skin

Nourishing Restoring Ointment

Restores skin comfort following aesthetic procedures. Panthenol Ceutic is recommended for sensitive and/or very dry skin.

RESULT

Skin is soothed and highly nourished, suppleness and comfort are restored.

ACTIVE INGREDIENTS

This expert formula combines high concentrations of restoring actives, for a long lasting hydration, protection and immediate skin comfort.

Panthenol 5%

A restoring complex to provide an immediate calming effect on irritated skin.

Bisabolol 1%

A highly tolerated restoring antioxidant active to soothe skin and restore comfort.

Shea Butter and Beeswax

Intensely hydrate and nourish the skin.

Vitamin E

Renowned for its antioxidant properties, vitamin E combats the signs of photoaging.

30ml
Paraben and fragrance free

PROTECT

Sun Ceutic 50 AGE DEFENSE SUN PROTECTION

Age Defense Sun Cream

Provides high protection for skin exposed to UV rays and helps to prevent premature aging of skin.

RESULT

The skin is restored, and protected from photoaging: spots, fine lines, dehydration.

ACTIVE INGREDIENTS

Powerful UVA/UVB filters with SPF 50 protect the skin. The dispersed micro-mineral filters allow the cream to be completely transparent, while maintaining efficacy. This unique formula also contains a powerful stem cell stimulator and repairing active ingredients.

Zinc Oxide and Titanium Dioxide

These mineral filters form a stable physical barrier against UVB and UVA rays.

Hyaluronic Acid

Creates suppleness and firmness, and moisturizes the skin. A genuine molecular “sponge,” hyaluronic acid has the power to retain up to four hundred times its weight in water.

Aloe Vera

Soothes the skin, reduces inflammation, and stimulates the production of collagen to combat skin aging.

50ml
Oxybenzone and Octocrylene free
Paraben and fragrance free

PREVENT

C25 Cream ANTIOXIDANT CONCENTRATE

Antioxidant Day Cream

Concentrated in antioxidants which contribute to prevent damage from free radicals.
C25 Cream is recommended for irregular complexion and loss of radiance.

RESULT

Complexion is harmonized and glows with natural radiance.

ACTIVE INGREDIENTS

This concentrated formula contains 25% vitamin c complex, vitamins A, B5, and E, and polyphenols to combat oxidative stress, and protects the skin from premature aging.

25% Vitamin C Complex A powerful antioxidant, it reduces the signs of skin aging.

Vitamin A Improves the structure of the skin and combats the signs of aging, such as wrinkles, fine lines, uneven skin texture, and hyperpigmentation.

Vitamin B5 Reduces water loss and keeps the skin smooth and elastic due to its moisturizing properties.

Vitamin E Renowned for its antioxidant properties, vitamin E also combats the signs of photoaging.

Polyphenols Naturally present in plants and fruit, polyphenols combat the action of free radicals and preserve the integrity of the skin's collagen.

30ml
Paraben free

PREVENT

Tri Vita C30™ 30% VITAMIN C SERUM

Ultra Concentrated 30% Vitamin C Serum

An innovative combination of 3 forms of vitamin C to reach several depths of the skin and release antioxidant benefits over time.

RESULT

Skin looks younger, healthier and more radiant.

ACTIVE INGREDIENTS

Industry-leading concentrations for optimal dermo-revitalization, free radical protection and skin restoration.

30% Vitamin C:

15% L-Ascorbic Acid Provides optimal antioxidant action.

14.5% Ascorbyl Silanol Combination of Silanol and Vitamin C for superior anti-radical and age-defense actions of the Vitamin C thanks to a deep penetration.

0.5% Ascorbyl Ester Combats the signs of photo-aging, evens out complexion and boosts skin radiance.

Vitamin E Ester Powerful antioxidant that complements and potentiates the Vitamin C's efficacy and stability.

Ferulic Acid Ester Renowned antioxidant that boosts and enhances the photo-protection action of the Vitamin C & E.

30ml
Paraben and fragrance free

PREVENT

Activ Retinol 0.5

AGE DEFENSE
SERUM

Age Defense Serum Medium Strength

Improves the appearance of skin texture and reduces the appearance of signs of skin aging. Activ Retinol 0.5 is recommended to treat the appearance of loss of skin tone, wrinkles, fine lines and dull complexion.

For normal and sensitive skin

RESULT

The skin appears rejuvenated and radiant.

ACTIVE INGREDIENTS

A unique combination of high performance actives and energizers containing essential minerals which help to restore and hydrate skin.

0.5% Retinol Complex

Repairs and protects damaged and dry skin. Stimulates the renewal of skin cells (basal layer) and regulates the migration and transformation of keratinocytes.

1% Pure Vitamins C and E

With renowned antioxidant properties, this combination of vitamins combats the signs of photoaging and limits their appearance.

1% Ceramides, Panthenol, Allantoin and Mineral

Cocktail Hydrating and nourishing actives which reinforce the skin barrier and intensely hydrate skin.

30ml
Paraben and fragrance free

PREVENT

Activ Retinol 1.0

INTENSE AGE
DEFENSE SERUM

Age Defense Serum Extra Strength

Improves the appearance of skin texture and reduces the appearance of signs of skin aging. Activ Retinol 1.0 is recommended to treat the appearance of loss of skin tone, wrinkles, fine lines and dull complexion.

For mature skin

RESULT

The skin appears smoother, more radiant and younger-looking.

ACTIVE INGREDIENTS

A unique combination of high performance actives and energizers containing essential minerals which help to restore and hydrate skin.

1% Retinol Complex

Repairs and protects damaged and dry skin. Stimulates the renewal of skin cells (basal layer) and regulates the migration and transformation of keratinocytes.

1% Pure Vitamins C and E

With renowned antioxidant properties, this combination of vitamins combats the signs of photoaging and limits their appearance.

1% Ceramides, Panthenol, Allantoin and Mineral Cocktail

Hydrating and nourishing actives which reinforce the skin barrier and intensely hydrate skin.

30ml
Paraben and fragrance free

TARGET

Derma Lift 5.0

LIFTING POWER SERUM

Lifting Serum

Immediate lift effect combined with long-term peptide skin-boosting effect. Lifts skin's appearance for long-lasting, younger-looking skin. Derma Lift 5.0 is recommended to treat the appearance of sagging skin, expression lines and fine wrinkles.

RESULT

The skin appears lifted, replenished and feels revitalized.

ACTIVE INGREDIENTS

A unique combination of high performance actives and energizers containing essential minerals which help to restore and hydrate skin.

5% Lifting Peptides Complex

Stimulates the epidermal synthesis (collagen, elastin) for a visible anti-wrinkle and lifting effect. Prevents the appearance of future signs of skin aging and increases skin elasticity.

3% Pullulan Extract

Immediate tensing agent which provides an immediate lifting effect.

0.5% Bakuchiol

Repairs and protects damaged and dry skin. Bakuchiol also stimulates the renewal of skin cells and collagen production.

1% Ceramides, Panthenol, Allantoin and Mineral Cocktail

Hydrating and nourishing actives which reinforce the skin barrier and intensely hydrate skin.

30ml
Paraben and fragrance free

TARGET

Yellow Cream

DARK SPOT
CONCENTRATE

Expert Skin Toning Cream

Stimulates and promotes skin radiance and harmonizes complexion. Yellow Cream reduces the appearance of dark spots and uneven skin tone.

RESULT

Pigmentation spots are less visible and overall complexion is harmonized.

ACTIVE INGREDIENTS

The synergy of glycolic acid, salicylic acid, and highly concentrated pigment-reducing ingredients (20% of active ingredients) gently exfoliates both the skin and melanin, which causes pigment spots.

Kojic Acid Because it inhibits the production of melanin, kojic acid is a proven, effective treatment of melasma (for example, the mask of pregnancy).

Arbutin Inhibits cells' production of melanin (melanogenesis) by blocking the action of tyrosinase. It is also an antioxidant.

Licorice A proven depigmenting agent, due to its flavonoid-rich composition. Licorice inhibits the action of two tyrosinases, which catalyse the production of melanin. It also has soothing properties.

Morus Alba A species of fruit tree, morus alba limits the production of melanin by inhibiting the action of the tyrosinase. It is also an antioxidant.

Glycolic Acid Speeds up exfoliation and promotes cell renewal.

Salicylic Acid Causes a keratolytic action that reduces intercorneocyte cohesion, and destroys lipids that bind the outer cells of the epidermis.

15ml
Paraben and fragrance free

Dermaceutic has carried out the most extensive clinical research in the industry

Methodology

Half the volunteers used Dermaceutic cosmeceuticals in combination with their professional treatments.

Cosmeceuticals proven efficacy as peel treatment enhancer

- Skin color homogeneity improvement
- Smoothing of skin's texture
- Anti-wrinkle effect
- Reduction in volume of frown lines
- Less desquamation following peel treatment

*In vivo study for the efficacy of Dermaceutic products on 94 caucasian, asian and dark skin women. European independent clinical research organization. July 2013 / November 2014.

Mask 15

92% of patients feel that their skin is softer

83% of patients feel their skin has improved after using Mask 15

Light Ceutic

100% enjoyed using Light Ceutic, trusted its efficacy and performance and will keep using Light Ceutic after the treatment

Turn Over

85% of patients trust the product's efficacy and performance and believe that it is a technical product

K Ceutic

84% of patients feel that it is a high performance product

93% find the texture pleasant

81% are interested in continuing to use K Ceutic after the peel program

Sun Ceutic

90% of patients are confident this product works

88% are interested in continuing to use the cream

94% like its texture and spreadibility

C25 Cream

Over **80%** of the patients trust the product's efficacy and performance

80% are interested in continuing to use C25 Cream

100% find the texture pleasant

Regen Ceutic

100% feel that their skin is well hydrated, firmer and rejuvenated

95% feel that their skin is lifted and regenerated

100% would like to purchase Regen Ceutic

PROVEN RESULTS

Up to
40% decrease
in crow's feet volume

Up to
33% decrease
in wrinkle depth

Up to
124% increase
in skin hydration

Up to
38% increase
in skin elasticity
